

Response To Requirement For Restriction
Application No. 09/664,507

5000-1-145

Responsive to the Requirement for restriction, Applicants elect to prosecute the invention of Group I, Claims 1-6, which are drawn to a method for managing a foreign mobile subscriber in a visitor location register (VLR) of a mobile switching center (MSC).

No fees are believed to be necessitated by the foregoing Response. However, should this be erroneous, authorization is hereby given to charge Deposit Account No. 502-470 for any underpayment, or to credit any overages.

In view of the above, withdrawal of the Requirement for the Restriction is requested, and an early action on the merits of the Claims is courteously solicited.

Respectfully submitted,
